

Come join us for the..

North Perth's 4-H Conservation Club

All ages welcome as we learn about conservation of our natural resources and complete projects to create wildlife habitat, increase biodiversity, and help with the improvement of soil and water quality

Meeting 1 – Saturday June 25th , 1 pm to 4 pm at the Horn Residence
8634 Road 164 (Hwy 23 North of Listowel) on the edge of Gowanstown
building nesting shelters for swallows

Meeting 2 – Saturday July 23rd, 1 pm to 4 pm at the Horn Residence
building nesting shelters

Meeting 3 – Saturday September 17th, 1 pm to 4 pm – Weather permitting
Location to be determined (will be in the North Perth area)

Meeting 4 – Saturday October, date to be determined
Location to be determined (will be in the North Perth area)

- Participation Agreements are required
- Please bring your own water bottle
- Please dress for the weather as most meetings will be outside
- Appropriate safety clothing/shoes is mandatory – we will be working with power tools and hand tools so appropriate footwear and clothing is mandatory
 - Does not need to be steel toe but NO sandals or flipflops
 - No loose clothing
 - Bring eye protection and ear protection if you have it, but if you do not have any it will be available to you.

4-H Leaders: Tammy Horn, 519-291-0234
Carolyn Vanderheiden, 519-292-1171

Nesting Box materials supplied by the Farm Credit Canada Grant – *Thank you, FCC!*
